Introduction:

About CISI

The Chartered Institute for Securities & Investment –CISI (www.cisi.org) is the leading professional body for securities, investment, wealth, and financial planning professionals. Formed in 1992 by London Stock Exchange practitioners, we have a global community of more than 42,000 members in 116 countries and last year more than 40,000 CISI exams were sat in 80 countries. CISI exams are taken across the globe and are recognized by 75 regulators including FAC UK, RBI, SEBI and ESCA.

The CISI offers a variety of professional qualifications and membership. Our foundation, qualifying, advanced and professional level study pathways in Operations, Wealth Management, Compliance/Risk, Capital Markets/Corporate Finance, Financial Planning, and Islamic Finance. Since we are a chartered body, we are associated with all the global banks who take up our certifications and we work on the capacity building initiative with them as well. Some of the global banks listed are BNY Mellon, Mphasis, AXA, Eclerx, Northern Trust, State Street, Goldman Sachs, HSBC and Morgan Stanley

Through our capacity building initiative, where we focus on colleges which are referred to us by our corporate partners (firms) we are associated with top colleges across the globe like – CHRIST University, ST. Teresa College, Jian University, Bengal Institute of Management Studies, St. Mary's, Amity Business School etc.

About Christ University

CHRIST (Deemed to be University) was established as 'Christ College' in 1969. It undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the staff

The University Grants Commission (UGC) of India conferred Autonomy to Christ College in 2004 and identified it as an Institution with Potential for Excellence in 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development of the Government of India, declared the institution a Deemed to be University, in the name and style of Christ University. One of the first institutions in India to be accredited in 1998 by the NAAC, and subsequently in 2004 and 2016, CHRIST (Deemed to be University) has the top grade 'A' in the 4-point scale.

The campus is a living example of harmonious multiculturalism with students from all the states and union territories and around 60 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published more than 300 books in Kannada and English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

CISI- Christ University Partnership

MOU was signed with CISI on May 20, 2013. The programme has been successfully running since then. Further, on November 22, 2016, CISI awarded the University with the Accreditation'. This accreditation recognizes the excellence of the organization in the provision of higher education in the fields of financial services. The status is awarded to CHRIST (Deemed to be University) following three consecutive years of excellent performance, where the average annual pass mark achieved by the students meet the comparable average annual pass marks gained by the industry over the same period of time.

Investment Operations Certificate (IOC) and Wealth Management certifications of the CISI are offered to students of the Department of Commerce at CHRIST (Deemed to be University) to provide an opportunity for a professional

qualification along with the Degree programme and thereby increase their global employability.

Financial Literacy Programme (PLP)

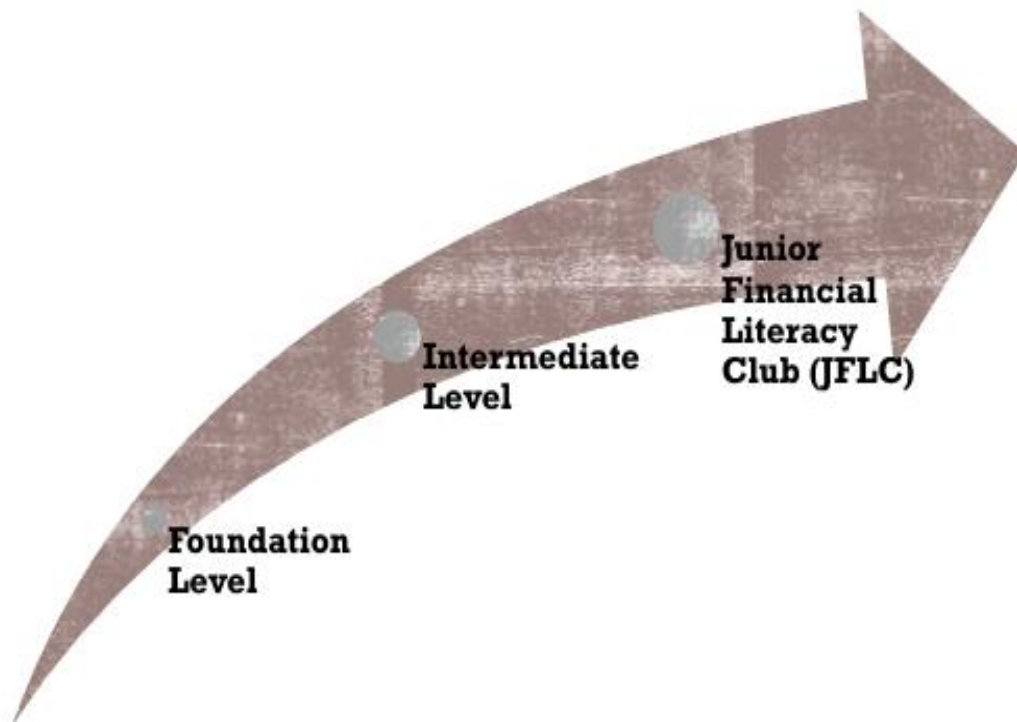

Quality of education especially on Finance fundamentals has suffered during the pandemic period. As a result, undergraduate, post graduate programs have seen an erosion in quality. The cascading effect from school level becomes pronounced at university education. Another area visibly affected is, programs with professional bodies which are integrated with university curriculum. Student progression in international professional courses is negatively impacted. Therefore, a strong intervention is required at +2 level to enhance and ensure the spread of quality education.

Most of the professional bodies from UK like CISI, ACCA, CIMA, have given paper exemptions depending on the mapping with existing curriculum at undergraduate level based on the quality credentials of the university. Post pandemic career progression in the above said professional courses have registered a steep decline. Hence this proposal.

PLP Model

Potential +2 level schools have to be identified. A call for those schools to apply for CIS financial literacy program leading to joint certification with CHRIST university has to be made by an independent UK body like British Council / UKTI. Once sufficient number of applicants are obtained, a joint inspection body comprising of experts would evaluate the quality credentials of the schools and then a tripartite agreement could be made involving the University, CISI and concerned school can be made. Onboarding of the schools, pedagogy and evaluation will be undertaken by Christ University

The Way Forward

After the successful completion of the FLP Program, the team realized it was a team to reflect, and assembled to meet with Director and Dean- Prof Biju Toms and Dr. Tomy K Kallarakal, and all faculty.

The session saw the recap of all the events- from the preparation, execution and assignment.

The following conclusions were drawn:

- Expansion Plan- Bringing the courses to other departments, colleges etc.
- Practical Applications- Relating the theory taught in classes to practical real-life occurrences through practical examples.
- Use of Resources- Usage of available resources such as the Bloomberg Lab etc. to provide the students with a more well-rounded and enriching learning experience.
